Everywhere I Look **Genesis 1:1-26**

Did you know God is always around you, even though you can't see him like your mom or dad or kitty or puppy dog? Everywhere you look, you can see signs of God's presence. The trees, the flowers, the birds, and the people you know are all reminders of God's love and the promises he made. Every time you see something God made, remember that he is always with you.

Say together: Wherever I look, I can't help but see God's work in the flowers, the birds, and the trees.
